

The British Are Coming!

230 years after facing George Washington in Cambridge, the British are sending one of their own to Indiana, in the heart of the United States!

Alan Lee Williams will be this year's Spring Dinner speaker. He will address the Harvard Club, Yale Club, and the Indianapolis Branch of the English-Speaking Union. Professor Williams is a past Member of the British Parliament; Visiting Professor at the University of London; author of books on Islam, NATO, and terrorism; and recipient of the rarely bestowed Order of the British Empire. His topic:

Europe and America: Pride and Prejudice

If you revere the British, this is *the* speaker to hear! If you want to transcend the politics of I-69 and Indiana time zones, come hear an expert's perspective on contemporary relations between Europe and the USA.
